

Yamaha MOTIF-RACK XS Editor Standalone/VST V1.6.8 for Windows Release Notes

Attention

If the MOTIF-RACK XS Editor VST under V1.4.0 has already been installed to your computer, uninstall that version of the editor before installing this version.

Main Revisions and Enhancements

V1.6.3 -> V1.6.8

- Now supports Cubase 9.5 series.
- Now Cubase 6, 7, 8 series are NON-compliant.
- Solved a problem in which the application might be forced to quit occasionally when using the 64 bit PC.
- Fixed some minor problems.

Known Issues

- After re-installation of the Editor, the Voice name may occasionally not appear on the Media Bay windows of Cubase. If this is the case, execute "Refresh" or "Rescan".
- Editor may launch in the OFFLINE status or "Port Open Error" may appear when you: 1) select the MOTIF-RACK XS Voice via the Media Bay, 2) create the Instrument Track on Cubase, and 3) start the Editor. Even if such a situation occurs, you can use the Editor by clicking the ONLINE/OFFLINE switch to set the status to ONLINE.

Minimum System Requirements

NOTE

- Note that the system requirements may be slightly different from those described below depending on the particular computer.
- Keep in mind that the software is often updated and the system requirements are subject to change. You can check the latest version information of each program and its system requirements at the following website:

<http://download.yamaha.com>

OS	64-bit* Windows 7 SP1/ Windows 8/ Windows 10
DAW Application	Cubase 9 Series
Others	These system requirements conform to those of the DAW applications and OS.

* Operation is not guaranteed in the Windows XP mode on Windows XP mode equipped with Windows 7 or the Boot Camp partition on Mac OS.

Installing the application

1. After the downloaded compressed file is properly extracted, double-click a following file.
Install MOTIF-RACK XS Editor Standalone_VST.exe
2. Follow the on-screen instructions to install the software.

For users of Windows 10

Starting the application:

Click "All apps" in the Start menu to see the full list of applications. You can start the application by clicking the icon.

For users of Windows 8

Starting the application:

Once the application is successfully installed, an icon of the application will be in your Windows 8 Start screen. You can start the application by clicking the icon.

NOTE

If the icon is not listed, right-click an empty area of the Start screen and select "All apps." Then select the application icon from the application list.

Uninstalling the application:

1. Right-click the application you wish to remove in the Windows 8 Start screen. If it's not listed, right click an empty area of the screen and select "All apps."
2. A check will be placed on the application you selected. Select the "Uninstall" option that appears at the bottom of the screen.
